

Columbia Elections Candidate Endorsement Form Spring 2018

Dear Candidates and Student Groups,

Candidates may begin reaching out to recognized student organizations to solicit endorsements up to 48 hours before the campaign period begins. Candidates who choose to begin reaching out to solicit endorsements from student organizations before campaigning begins must do so via email with the CEC copied on the email at cc.seas.elections@columbia.edu.

Candidates must present at a general body or executive board meeting of the student organization.

The Candidate/Party Endorsement Form must be completed and signed by the candidate/party, and submitted to cc.seas.elections@columbia.edu with the student organization's full executive board copied on the email. The endorsing organization must then confirm the endorsement by responding to all copied on the email chain in the affirmative. Neither the candidate/party nor endorsing group may begin publicizing the endorsement until these steps are completed.
